

LEARNING TIME

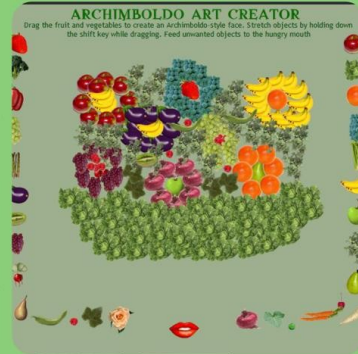

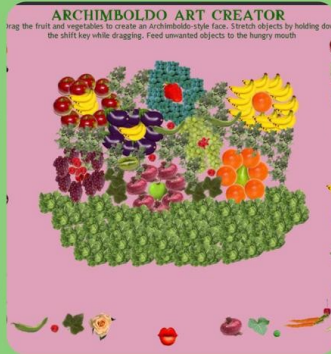

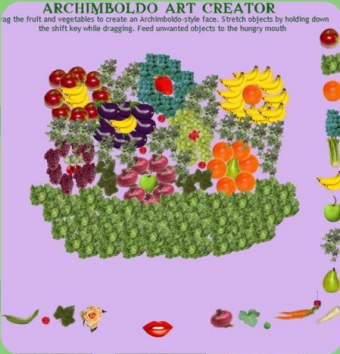

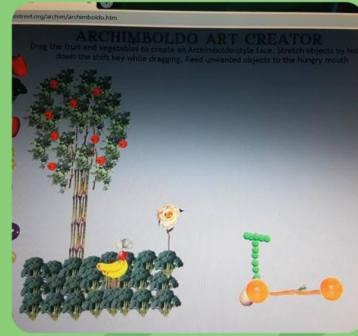

Projemiz 21.yy eğitim dünyasının vazgeçilmezi haline gelen kodlama eğitimini ve web 2.0 araçlarını öğretmeyi hedeflemektedir. Öğrencilerimize erken yaşta dijital beceriler kazandırmak ve onların her yönden donanımlı bir birey olmaları için etkinlikler planladık. Birlikte çalışabilen, problem çözebilen, risk alabilen, işbirliği yapabilen, yaratıcı düşünebilen, özgün tasarımlar oluşturabilen, web 2.0 araçlarını öğrenip ,teknolojiyi etkin biçimde kullanabilen öğrenciler yetiştirmek istiyoruz.
